*Proceedings of the Madras Government, Revenue Department,  
19th August 1869.*

No. 285. Read the following Proceedings of the Board of Revenue, dated 27th July 1869.

Read the following Proceedings of the Madras Government, dated 28th May No. 1,507, Revenue Department.

ABSTRACT.—*Ruined tanks made over to private proprietors.*—Passing order. Revenue Board's Circular Order proposed to be issued to Collectors on this subject.

The majority of the Board are of opinion that the present system, under which the annual payment is fixed when the ruined tank is made over to a private proprietor and is payable from that date, should be maintained.

2. Any other arrangement would necessitate a Cowle settling within what time the tank is to be restored and when payments are to commence, but the

Board's Standing Order, No. 125, paragraph 1. Cowle system is already allowed, and the rules to which the Draft Circular refers are an alternative.

3. An intimation to the effect that payment is to begin from the date the tank is given up by Government can be added to the Draft Circular.

4. The First Member of the Board is not a party to these Proceedings, has recorded his dissent.

No. 286. ORDER THEREON, 19th August 1869, No. 2,371.

Land Revenue.

The Government are of opinion that when ruined tanks are made over to private parties for repair, the special rate of assessment fixed on the land which is irrigable under them should not be imposed until a sufficient period has been allowed for putting the tank in order. The Collector should fix this period at his discretion in each instance.
