*Proceedings of the Madras Government Revenue Department,
19th August 1869.*

No. 287. Read the following Proceedings of the Board of Revenue, dated 27th July 1869, No. 5,461 :—

Read the following letters :—

From the Acting Collector of Nellore, to the Acting Secretary to the Board of Revenue, dated 17th June 1869, No. 1,180.

In their Proceedings, Judicial Department, No. 931, dated 12th June 1869, the Government have approved of the transfer of the District Moonsiff's Court from Gudur to Kavali.

2. As the building occupied by the Court will be shortly vacated, the Civil Judge, in his letter of 6th March 1869, No. 30, to the late Collector, informed him that when vacated, it will be at the disposition of the Revenue authorities a reference was made to the Superintending Engineer and to the Tahsildar of Gudur Talook.

3. The Tahsildar in his Arzi, No. 335-1,495, dated 15th May 1869, states that if sold the building may fetch 300 or 350 Rupees.

4. The Superintending Engineer has forwarded to me copy of a letter, No. 78, dated 24th May 1869, addressed to him by the Assistant-Engineer. From this communication it appears that the present Store-room in Gudur is a small thatched building, and that there is no place for the Overseer's office; and the Assistant-Engineer requests that the Moonsiff's Court-house may be handed over to the Department Public Works for an office.

5. As that seems the best use to which the building can be put, I request the sanction of the Board to make it over to the Department Public Works.

From the Acting Inspector-General of Police, to the Acting Secretary to the Board of Revenue, dated Madras, 29th June 1869, No. 4,067.

In forwarding letter* from the Superintendent of Police, Nellore, I have the honour to inquire whether the transfer to the Public Works Department of the building known as District Moonsiff's Court at Gudur in the Nellore District, can be deferred for a few months without inconvenience, as the building is urgently required by the Police.

ENCLOSURE No. 1.

From the Superintendent of Police, Nellore, to the Inspector-General of Police, dated 26th June 1869, No. 351.

Mr. Dykes, shortly before his departure, asked if this department required the use of the District Moonsiff's Court at Gudur about to be closed. I replied it did not. Since my reply the Talook Cutcherry which had been used as a Police Station, pending completion of the new Station-house, has been put under repair. We have been ejected from the building, and at present occupy a thatched house in the Bazaar Street, where there is no accommodation for prisoners, and great risk from fire.

2. On applying† for temporary use of the District Moonsiff's Court from Mr. Dykes's successor, I am informed‡ application has been made to the Revenue Board to put the building at disposal of Public Works Department. As

the new Police Station-house will take some six or seven months to complete, I have the honour to request that the District Moonsiff's Court may be placed at my disposal until its completion.

* Letter No. 335, copy.

† Letter No. 1,230 to be returned.

ENCLOSURE No. 2.

ENCLOSURE No. 2.
From the Superintendent of Police, to the Acting Collector of Nellore, dated 22nd June 1869,
No. 335.
In continuation of

In continuation of my letter, No. 224, of the 4th May last, I have the honour to request you will be good enough to place at my disposal the Gudur District Mousiff's Court when vacated, to be used as a Police Station, until the new station house in course of construction is completed. There is at present no accommodation in the Talook Cutcherry as it is under repair, and nothing but a thatched house available, which is quite unsafe to lodge prisoners in.

ENCLOSURE NO. 3.

Enclosure No. 3.
From the Acting Collector, to the Superintendent of Police, Nellore, dated 24th June 1862,
No. 1,230.
In reply to your letter, No. 325 of the 11th June.

In reply to your letter, No. 335, of the 22nd instant, applying for the use of the District Moonsiff's Court at Gudur, I have the honour to inform you that application has already been made to the Board of Revenue to place the building in question at the disposal of the Public Works Department. This course was adopted in consequence of your stating, in answer to a communication from this office, that the building was not required by the Police Department.

No. 224, dated 4th May 1959.

Submitted for the orders of Government.

2. The Board recommend that the building known as the District Moonsiff's Court at Gudur be transferred to the Department Public Works for an office, but that as it is shown to be urgently required by the Police for the present as a Station-house, the transfer to the former department be deferred for a few months until the new Police Station now in course of construction is completed. In the meanwhile the building should be placed at the disposal of the Police.
