*Proceedings of the Madras Government, Revenue Department,
20th August 1869.*

No. 306. Read the following letter from the Officiating Conservator of Forests, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Camp at Ootacamund, 14th August 1869, No. 1,608:—

With reference to the Government Order, No. 2,009, of the 12th of July last, I have the honour to inform you that I consider the Acting Collector's proposal for our department assuming the management of the forests within the Rettayambady Mootah should be acted up to if possible, it would undoubtedly be to the benefit of the country, and the more forest we have under our control in districts where we have establishments, the easier conservancy becomes, and the fewer the chances of smuggling. I have directed Lieutenant Walker to inspect the forests in question, and submit an estimate of their value, together with a sketch map showing their position and extent, and these I will forward on receipt.

No. 307. ORDER THEREON, 20th August 1869, No. 2,382.

Forests, No. 20.

THE Government will await Lieutenant Walker's report.
