*Proceedings of the Madras Government, Revenue Department,
21st August 1869.*

No. 322. Read the following letter from the Officiating Secretary to the Chief Commissioner for the Government of the Territories of His Highness the Maha Rajah of Mysore, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Bangalore, 31st July 1869, No. 2,303-12:—

With reference to the enclosed copy of letter, No. 1,694, dated 10th ultimo, from the Cotton Commissioner Central Provinces and the Berars, I have the honour, by desire of the Chief Commissioner of Mysore, to advise you of despatch by rail* of 9½ Bengal maunds† of Hingunghaut cotton seed in five bags, and to request that the cost Rupees 81-3-6, as particularized in the margin, may be remitted to this office.

2. From Mr. Rivett-Carnac's letter it will be observed that he requests that twelve of the fifteen bags sent may be forwarded to you, but this letter was received long after the distribution of the seed to the districts in Mysore, and the Chief Commissioner regrets that only 9½ maunds have been recovered up to the present time.

From the Cotton Commissioner, Central Provinces and the Berars, to the Secretary to the Chief Commissioner of Mysore, dated Nagpore, 10th June 1869, No. 1,694.

With reference to your No. 582-23, dated 3rd May, I regret to find that some confusion has arisen in the allotment of the cotton seed despatched from Bombay by Messrs. Nicol & Co.

2. Of the fifteen bags referred to, three were addressed to you, and twelve to the Government of Madras; but, owing perhaps to the labels having been destroyed, the Agents of the Steamer appear to have forwarded the whole quantity to your office.

3. Enclosed I beg to hand you a memorandum of the cost and charge amounting to Rupees 163-2-0, and may I ask the favour of your forwarding the twelve bags to Madras and recovering from that Government the amount due on their portion.

4. I must apologize for causing you so much trouble, but you may understand how difficult it is for me, when moving about in camp to regulate all the little details of the despatch of the seed, and I must depend to a great extent on the arrangement of the Agents to whom the bags are sent. The seed sent is Hingunghaut.

The Secretary to the Chief Commissioner.

To the Cotton Commissioner, Central Provinces and the Berars.
