*Proceedings of the Madras Government, Revenue Department,
21st August 1869.*

No. 324. Read the following Proceedings of the Board of Revenue, dated 9th August 1869, No. 5,828:—

Read the following letter from H. E. SULLIVAN, Esq., Collector of Bellary, to the Acting Secretary to the Board of Revenue, dated 15th July 1869, No. 175.

I HAVE the honour to enclose a sketch of the locality selected as a site for the new Talook Cutcherry at Gooty, but before the work is commenced, I would suggest the expediency of a transfer to the ground in the neighbourhood of the sites selected for the Head Assistant-Collector's Cutcherry and the proposed Civil Dispensary, the position of which I have marked in pencil on the plan. I at first agreed to the site marked in colours, but on consideration I think it is too close to the Native Pettah, and, moreover, I think it unadvisable to block up with a large pile of building the only open space in the vicinity of the town which is built immediately under the Gooty hill. The new building would, I think, show to greater advantage if placed in the vicinity of similar structures, than if jammed close up to the mud-walls of the Native Town. In a sanitary point of view, there can be no doubt that the site indicated in pencil has the advantage, and it is about equi-distant between the town and the railway. The site marked in colours was, I believe, approved by the Subsidiary Jail Committee before it was determined to build an office for the Head-Assistant.

2. As materials are being collected for the work, I shall feel obliged by an early reply.

ENCLOSURE No. 1.—Sketch.

SUBMITTED for the orders of Government with the Board's recommendation that, under the circumstances stated by the Collector, the site of the new Talook Cutcherry be changed from the plot of ground enclosed by red lines, to that shown in pencil, and lying between the site selected for the new Civil Dispensary and the Railway, as shown in the sketch furnished by Mr. Sullivan.

2. The new Cutcherry was proposed in paragraphs 80 to 85 in the letter from the Subsidiary Jail Committee, dated 5th November 1863, No. 209, and sanctioned in paragraph 6 of Government order, dated 17th December 1863, No. 1,897.

No. 325. ORDER THEREON, 21st August 1869, No. 2,391.
