*Proceedings of the Madras Government, Revenue Department,
23rd August 1869.*

No. 329. Read the following Proceedings of the Board of Revenue, dated 6th August 1869, No. 5,761 :—

Read the following letter from the Officiating Collector of the Kistna District, to the Acting Secretary to the Board of Revenue, dated Masulipatam, 13th July 1869, No. 210.

I HAVE the honour to forward herewith copy of a letter from the Superintending Engineer, 2nd Division, dated 8th July 1869, No. 83, forwarding plans and estimate, amounting to Rupees 3,610, for the construction of a bridge much needed across the Carlapolem tank-supply channel on the district road from Ponnuru, the station of a Deputy-Tahsildar, to Bapatla, the cusbah of the talook. This bridge will also complete the line of communication between Bapatla and Guntoor.

2. This bridge ought to have been provided for in the estimates for the road, amounting to Rupees 24,070, sanctioned in Government orders, No. 278, dated 29th January 1867, and No. 3,240, dated 14th October 1868, but omitted as the channel has since been cut. The Superintending Engineer proposes that half the cost of the bridge should be charged to Imperial and half to Local Funds.

ENCLOSURE No. 1.

From the Superintending Engineer, 2nd Division, to the Officiating Collector of the Kistna District, dated Bezarah, 8th July 1869, No. 83.

I HAVE the honour to forward the accompanying plans and estimate as per margin for constructing a bridge across Carlapolem tank-supply channel on the district road from Ponnuru to Bapatla, and to request that the same may be submitted to Government, through Revenue Board, for sanction and allotment.

- 1 Site Plan.
- 1 Bridge do.
- 1 Do. estimate.
- 1 Abstract do., Rupees 3,610.
- 1 Specification Report.

2. This bridge should have been included in the road-estimate, amounting to Rupees 24,070, sanctioned in Government orders, No. 278, dated 29th January 1867, and No. 3,240, dated 14th October 1868, but was omitted by an oversight on the part of the range officer, the Carlapolem channel not having been commenced at the time the estimate was made out.

3. Half of the cost of this bridge should be charged to Imperial and half only to Local Funds, and the amount of the above-mentioned sanctioned estimate should therefore be increased from Rupees 24,070 to Rupees 25,875.

Government order, No. 54, 8th January 1869.

ENCLOSURES Nos. 2 and 3.—Plans.

ENCLOSURE No. 4—Estimate and Specification.

THIS estimate, for constructing a bridge of one arch of 15 feet span across the supply channel of the Carlapolem tank on the Bapatla and Guntoor road, at a cost of Rupees 3,610, will be submitted for the sanction of Government.

2. Half the sum is chargeable to Imperial Funds, and the Board request that if it cannot be granted this year, it may be provided for in next year's Budget of the Public Works Department.
