*Proceedings of the Madras Government, Revenue Department,
24th August 1869.*

No. 353. Read the following Proceedings of the Board of Revenue, dated 30th July 1869, No. 5,576:—

Read the following letter from the Collector of the Godavery District, to the Acting Secretary to the Board of Revenue, dated Cocanada, 30th June 1869, No. 156.

I HAVE the honour to state that the site marked yellow in the accompanying sketch has been selected for the construction of the new Talook Cutcherry at Nursapur. In order to make the Cutcherry easily accessible from the chief part of the town, an approach from the main bazaar street should be made, and a new road leading to the proposed Cutcherry, as shown in the sketch marked green, be opened as the Executive-Engineer states.

2. On this spot there are a few thatched houses occupied by certain individuals, and they are willing to part with them and the sites for Rupees 258. I therefore request sanction for the payment of this sum to the owners of the huts.

ENCLOSURE No. 1.—Sketch.

SUBMITTED for the orders of Government with reference to Government order of 18th March 1869, No. 755.

2. The erection of the Cutcherry was first sanctioned in Government order, dated 13th January 1864, No. 72, (Revenue Department,) and has since been twice postponed.—*vide* Government orders, dated and numbered respectively 21st June 1864, No. 1,738, and 6th January 1868, No. 53, (Public Works Department.).

3. The Board consider the proposed site good; but as the plan and estimate were prepared five years ago, they would recommend that they be submitted to the Government Architect for examination. Nursapur requires a Talook Cutcherry of the best description.

No. 354. ORDER THEREON, 24th August 1869, No. 2,405.

Miscellaneous.

THE site proposed for the new Talook Cutcherry at Nursapur is approved. Orders will be issued to the Civil Architect from the Public Works Department for the examination of the old plan and estimate.
