a fair-weather road from Kanigiri to the Vemulapad Pass on the Kurnool frontier, amounting to Rs. 21,900, I have

the honour to state that this road is in continuation of the road from Ullapalam to Kanigiri, *via* Kandukur, sanctioned in Government orders, No. 789, of 9th March 1866, and No. 1,656, of 3rd June 1867.

2. This is one of the most important lines of local traffic in the northern portion of the district. It was one of the lines included in the list of all roads submitted to the Board and referred to in their Proceedings of the 1st July 1868, No. 4,843.

3. The road appears to be a very desirable one, and I would therefore recommend the work for the favourable consideration and sanction of the Board.

ENCLOSURE No. 11.—Specification.

THE estimate, amounting to Rupees 21,900, received with the foregoing letter, for the construction of a fair-weather road, (16 miles 5 furlongs and 103 yards long,) from Kanigiri to the Vemulapad Pass, is submitted for the sanction of Government.

2. The work appears as Item No. 59 in the current year's Road Fund Budget, with an allotment of Rupees 4,000.

3. The estimate is made up of the following items :—

	RS.	A.	P.
1. Earth-work	4,031	4	8
2. Gravelling	14,247	10	8
3. Clearing jungles	630	0	8
4. Masonry works	2,985	0	0
	21,900	0	0

4. The Collector is requested to ascertain and state what portion of the cost of masonry works is chargeable to Imperial Funds, in accordance with Government order, Revenue Department, dated 11th March 1869, No. 656.

5. The Collector should also state whether the whole of the continuation of the road, *via* Kandukur, to the sea-coast has been made on the estimates to which he refers as having been sanctioned in 1866 and 1867, and is now in good order. The Board find that a fair-weather road from Pommalur to Kanigiri which must be part of it, is one of the sanctioned roads entered in the Budget with an allotment sufficient to finish it this year.
