RESOLVED that the above Returns be submitted to Government with reference to their order in the Revenue Department, dated 4th August 1866, No. 127.

2. The Return from Vizagapatam does not show the movements of the General and Salt-Deputy-Collectors—an omission which should be carefully supplied by the Collector in his future Returns.

3. Fuller details should have been given of the tours of the Salt-Deputy-Collector in the Godavery. In Ganjam they do not seem to have been so frequent as was desirable during the manufacturing season.
