*Proceedings of the Madras Government, Revenue Department,
27th January 1869.*

No. 506. Read the following Proceedings of the Board of Revenue, dated 19th December 1868, No. 8,915:—

Read the following letter from the Collector of Kurnool, to the Acting Secretary to the Board of Revenue, dated 20th November 1868, No. 400.

1. I have the honor to inform you that I am about to carry out the Jummah-bundy of two distant talooks, namely, Sirwell and Koilkuntla, commencing early in January.

2. As it will be necessary to take Mr. Turner, the Assistant Collector, with me, I shall feel obliged if the Board will let me know regarding paragraphs 5 to 7 of Government Order, dated 15th January 1867, No. 123, to whom letters from the Accountant General should then be addressed, for it will involve great loss of time if they are sent on after me in the district.

3. I shall also feel obliged if the Board will get my Department relieved of the superintendence of the Examination to be held in February next. I cannot be then in Kurnool, and Mr. Turner being with me can ill be spared, and the distance he will have to travel will be probably about ninety miles, for I expect, in February, we shall both be in the extreme south of the Koilkuntla Talook. I can of course spare my Cutcherry room for the Examination, but I trust the whole superintendence of the Examination may devolve on the Government School Master, and such other persons as he may choose.

4. There is no doubt that the above quoted Government Order was issued on the supposition that in each Collectorate there would certainly be more than one Assistant Collector, for in paragraph 4 appear the words "with the Staff of Assistants now available." This, however, is not the case in this district, for with the exception of about two months in this year, since I have been here—very nearly two years—there has been only one Assistant.

5. The Government have also lately ordered that all the Sub-Jails must be inspected half yearly by European Officers (Government Order, No. 1,334, dated 27th August 1868). In this district there are thirteen Sub-Jails, to visit which 700 miles have to be traversed; and as there are only three Executive Officers, the Collector, Head Assistant, and Assistant, the distance each has to travel yearly on account of Sub-Jail inspection is not inconsiderable.

6. If I had another Assistant, who had the full powers of a Magistrate, these difficulties would not present themselves, and one might then always be in Kurnool when I am necessarily absent on duty; but not having more than one, it is not always practicable to leave him in Kurnool when I am employed in the district.

A STATION like Kurnool should not be left without an European Officer for two months, as would be the case if Mr. Turner were to accompany the Collector to the talooks alluded to.

2. Mr. Chase must manage to do without his Assistant on this occasion, or call his Head Assistant in.

3. The Board resolve to submit a copy of these Proceedings for the information of Government, with the expression of an opinion that one Assistant is insufficient for the District of Kurnool.
