Proceedings of the Madras Government, Revenue Department,
30th August 1869.

No. 445. Read the following Proceedings of the Board of Revenue, dated 20th August 1869 :—

Read the following letter from the Commissioner of the Neilgherry Hills, to the Acting Secretary to the Board of Revenue, dated Ootacamund, 16th August 1869, No. 117.

I HAVE the honour to reply to paragraph 4 of Proceedings of the Board, 1st April 1869, No. 2,125. On the 9th instant I requested Dr. Hunter, the Oossoor Remount Agent, and the Superintendent of the Sydapet Farm, to be good enough to furnish me with lists of machinery, etc., which they could send to our Exhibition. I enclose replies from the two former. Up to this I have not received any answer from the latter; but as the farm is at Madras, perhaps the Board would be good enough to settle direct with the Superintendent as to the farm's contribution to the Exhibition, and obtain the sanction of Government for the expenditure necessary for the transit of the articles to and from Ootacamund.

2. The Railway Agent has liberally undertaken to convey free one way all articles *bona fide* for Exhibition. I have addressed the Carrying Companies between the Coimbatore Station and Ootacamund, and trust that they in like manner will make some allowance under the circumstances.

SUBMITTED to Government, with the Board's recommendation that, as in the case of the Palghaut Exhibition, special sanction may be accorded for any expenditure incurred in carrying articles from the Government Farm to the Ootacamund Exhibition.

The Farm Committee will be requested to communicate a list of the articles they propose to send.

No. 446. ORDER THEREON, 30th August 1869, No. 2,452.

Miscellaneous.

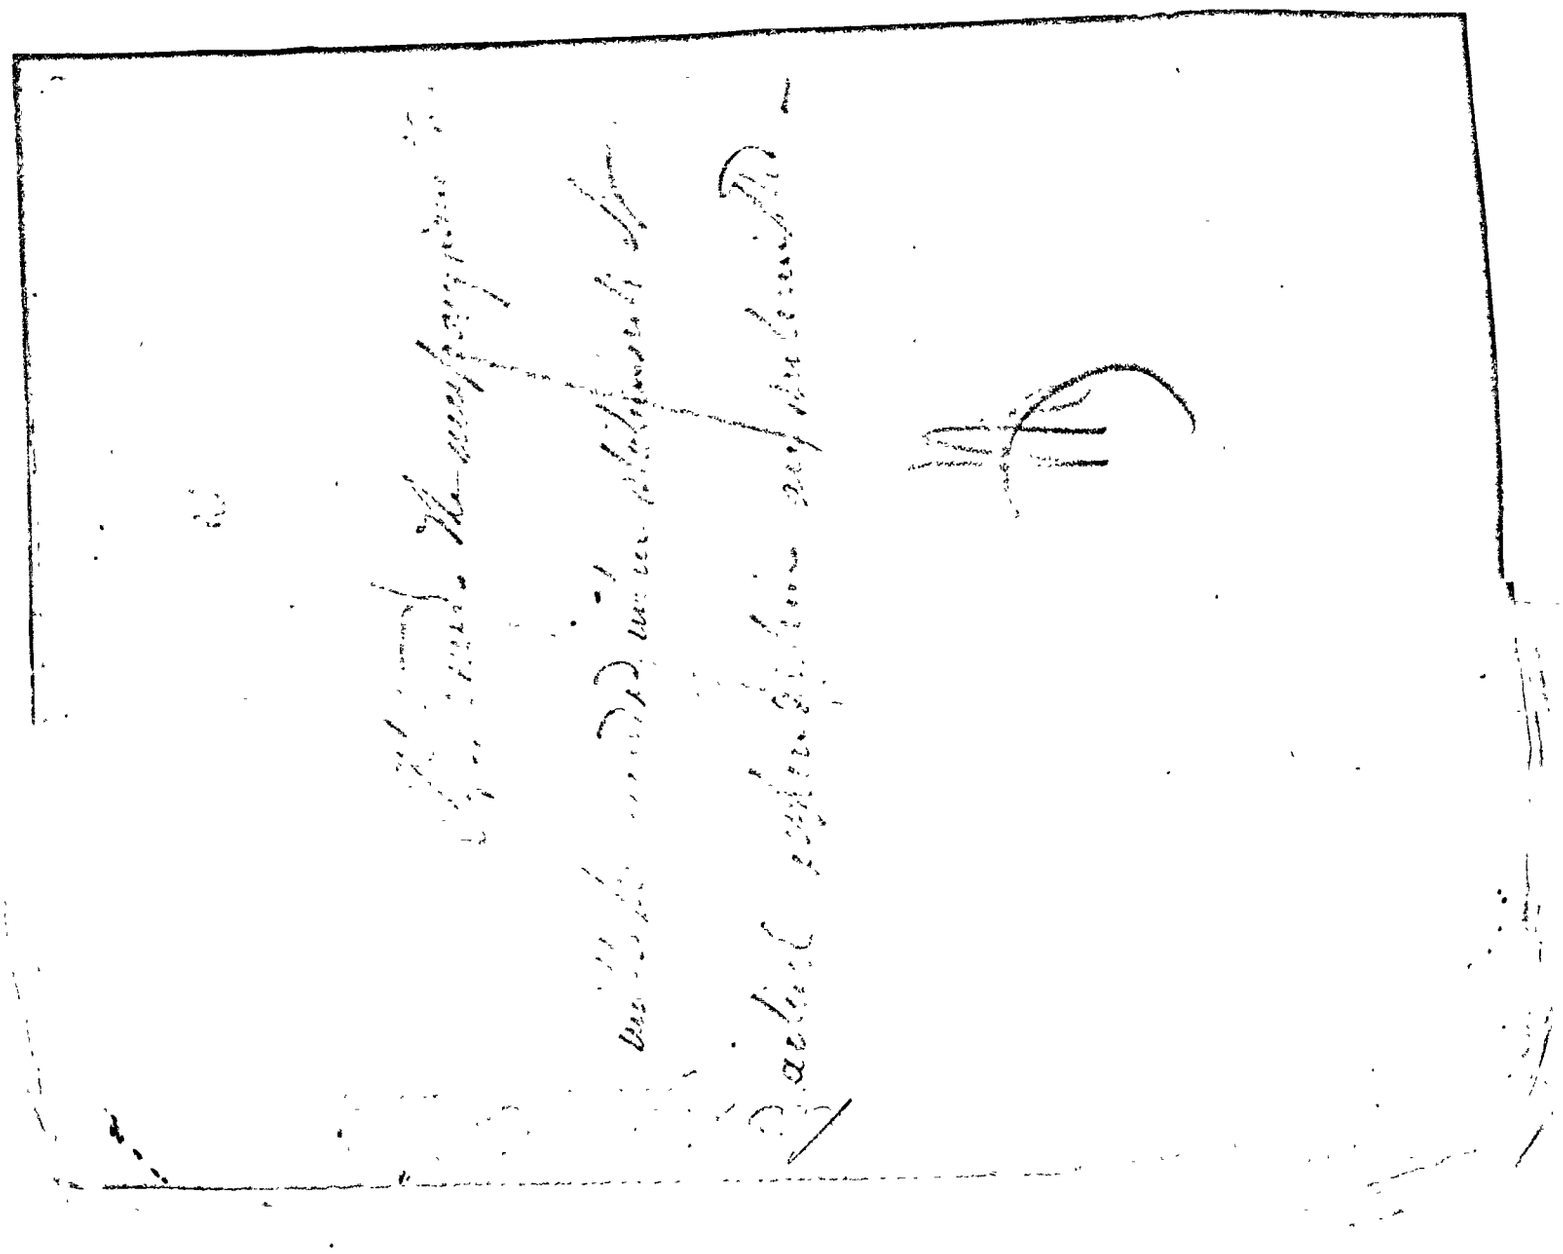

APPROVED. The necessary sanction will be accorded when statements of actual expenditure are submitted.
