Government of Madras.

Revenue DEPARTMENT

GO. No.	2467	Press
Sub		Mis
Dated	1st April 1887	

Not to be folded or roughly handled

*Proceedings of the Madras Government, Revenue Department,
1st September 1869.*

No. 5. Read the following Endorsement of the Deputy-Inspector-General, Presidency, for the Inspector-General, Indian Medical Department, dated Fort Saint George, 27th August 1869, No. 329 :—

Read the following letter from the Apothecary in Medical Charge, Chettopore, to the Deputy-Inspector-General, Indian Medical Department, Presidency and Northern Districts, dated Chettopore, 10th August 1869, No. 84.

I beg to report that the fever-cases in Ganjam during the past month have again shown an upward tendency; 149 cases having come under treatment while 124 was the figure for the month preceding. This excess is to be ascribed to the setting in of the monsoon after a long period of hot dry weather.

2. The present fevers are more or less of a catarrhal type, the result of exposure to wet.

3. A few cases of diarrhoea, too, have occurred, but no cholera, though the latter has broken out at Berhampore, thirteen miles north of us.

4. I am glad to add that the village of Rumbah, where I reported cholera was prevailing, is now entirely free from the disease.

Weekly Report of fever-cases among the civil population of Ganjam, from Monday the 2nd to Sunday the 8th August 1869.
