Proceedings of the Madras Government, Revenue Department, 2nd September 1869.

No. 32. Read the following Proceedings of the Board of Revenue, dated 12th August 1869, No. 5,949 :—

Read the following letter from the Commissioner of the Neilgherry Hills, to the Acting Secretary to the Board of Revenue, dated Ootacamund, 16th June 1869, No. 89.

I HAVE the honour to forward a plan of a small slip of waste land to the west of Mr. Egan's shop leading up to the Church gates. Mr. Egan applied to me for the land on permanent puttah; I told him all land must be put up to auction; he then withdrew his application, saying somebody would buy it over his head, and build a hut and spoil the appearance of his shop.

2. The piece of land is situated in the heart of Ootacamund on the Church Hill, and is only 211×85 feet in extent. Mr. Egan has carried a neat balustrade facing the road to Charing Cross, both east and west of his shop front, and I asked him whether he would continue this balustrade all round the piece (as sketched in red), if the land were given to him on permanent puttah. He said he would, and as it would improve the appearance of a dirty bit of waste in a central part, I would recommend its being made over to him as he requests.

ENCLOSURE No. 1.—Plan.

SUBMITTED for the orders of Government.

2. The Board support the Commissioner's recommendation on the ground that this is a very special case which cannot form a precedent, and that it affords a means for securing the conservation and improvement of the ground.

3. If Government sanction the grant of a permanent puttah, the Commissioner should insert appropriate stipulation such as that if the ground is built upon without the Commissioner's consent, it shall revert to Government.

No. 33. ORDER THEREON, 2nd September 1869, No. 2,481.

Miscellaneous.

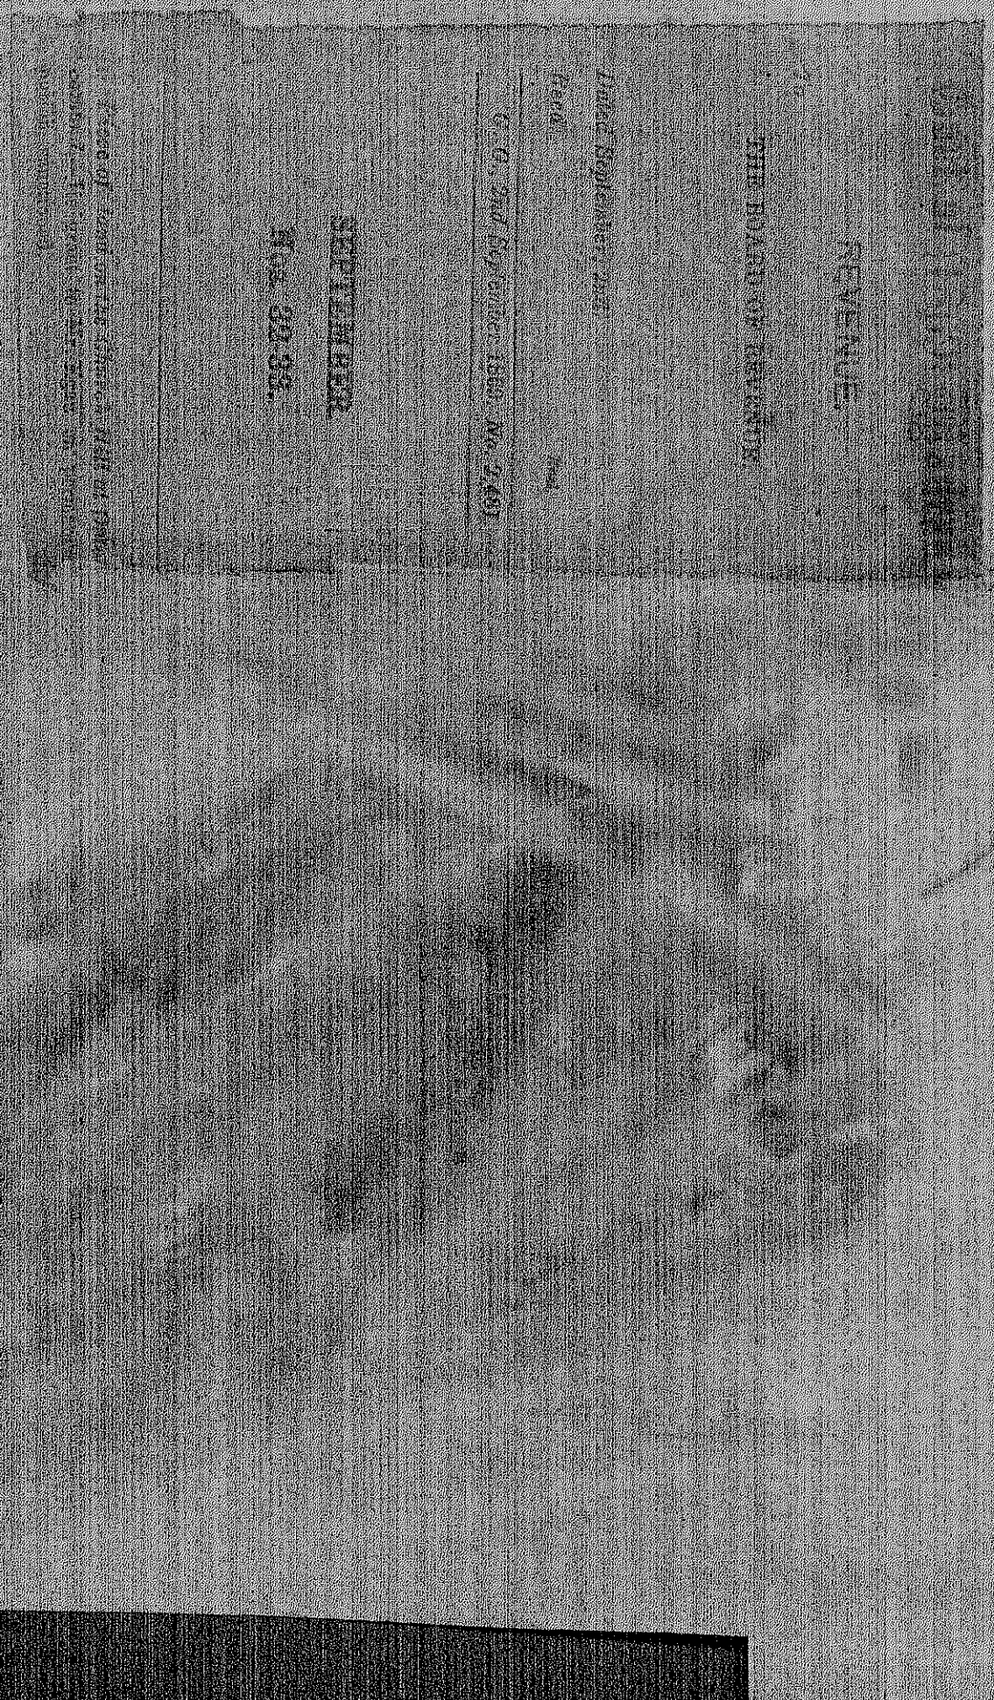

SANCTIONED as recommended by the Board of Revenue.
