Proceedings of the Madras Government, Revenue Department, 27th August 1869.

No. 405. Read the following Proceedings of the Board of Revenue, dated 11th August 1869, No. 5,935 :—

Read the following letter from the Collector of Vizagapatam, to the Acting Secretary to the Board of Revenue, dated 20th July 1869, No. 432.

I HAVE the honour to forward for submission to Government, and I trust favourable consideration, the enclosed communication from Mr. Jellicoe, at present Deputy-Collector in charge of the treasury in this district.

2. Mr. Jellicoe resigned his position in the Covenanted Service after serving therein for fourteen years. After a further interval of thirteen years, on the grade of Deputy-Collector being introduced into this Presidency, he was appointed to the first-class on the 1st March 1859, and has since held that position.

3. Under the operation of the rule enforcing retirement from the service of Government at the age of fifty-five, Mr. Jellicoe will lose his appointment on the 1st January next, and, under existing rules, will not even be qualified for pension after a total service of twenty-four years.

4. Mr. Jellicoe is perfectly qualified for the continued performance of his present duties, or others of a sedentary nature, such as those of a Small Cause Court. I trust therefore that the Board may feel justified in recommending to Government a favourable consideration of his peculiar case.

ENCLOSURE No. 1.

From W. E. JELLICOE, Esq., Deputy-Collector, to the Collector of Vizagapatam, dated 17th July 1869.

WITH reference to Proceedings of the Madras Government, Financial Department, of the 20th January 1869, No. 79, as quoted by the Accountant-General in his Circular, No. 6,119, dated 13th February 1869, I have the honour to request you will be good enough to recommend, for the favourable consideration of His Excellency the Right Honourable the Governor in Council, my application for exemption from the operation of the fifty-five-year rule.

2. I entered the Covenanted Civil Service of this Presidency on the 18th July 1832, and was permitted by the Honourable the Court of Directors, when in England, to resign the same on the 14th October 1846, after fourteen years' service.

3. I returned to India in September 1856, and on the 8th March 1859 was appointed First-Class Deputy Collector, in which grade I have served up to the present time, over ten years' service.

4. I beg further to bring to notice, that notwithstanding this long service of over twenty-four years, in accordance with existing rules I am not eligible to pension. I could only obtain this grace by permission of the Secretary of State as a special case : therefore the operation of the fifty-five-year rule, in my individual case, would affect me very injuriously.

5. I trust therefore that as I am hale and fully equal to the proper discharge of all official duties devolving upon me, I may be permitted to continue in the service of the Government in any capacity they may be pleased to employ me.

SUBMITTED for the favourable consideration of Government.

2. Mr. Jellicoe's case is a peculiar one, and if the rule requiring retirement at the age of fifty-five is relaxed with regard to him, no inconvenient precedent will be established.
