Representative of Govindaraya pillai & deceased Viavan

This is a suit for the Office of Viavan in the Village of Adanur and 6 others being 6000 Rupees odd.

The defendant was dismissed from his post on the 21st August last for continued omissions to bring petty cultivation into account. It was not a heinous offence, but merely slight unacquaintance with all that was going on in the village and therefore any one in the family who is fit may be appointed. His eldest son Ramasami Pillai is only 15 years old and therefore though now having the Office registered in his name must have the work done by a Gumasta.

The Plaintiff put forward claims but on examination it is clear that they have nothing to go upon, as they are merely the nephews of the wife of an original Viavan Sandaraya Pillai. He died without issue but adopted Periyapedumma Pillai and he therefore took Office. On his death without issue it is true that his wife's brother Govindaraya pillai was appointed, but now that the Office has been through so many successors it is impossible to reverse the wife's relations of a previous Viavan added to which they are

Sandavaraja Pillai

There being therefore no other in the family who is fit to do the work for the hereditary Gounga Pillai who already is doing the work, heaven's
Ramasamy Pillai, a Gumasta by name, has been put into three Villages on the sus- cession of Gouindaraja Pillai, will now be appointed
to continue acting as Gumasta for the whole Charge

Honored Sir

I beg leave to state that the hereditary Office of Curnum of the Village of Audanoor Dy. in South Arcot District, to which none but myself has any Claim having had unjustly been conferred on a Stranger my appeals on the subject to the Sub-Collector and Collector of the District and the Board of Revenue and also to the Honorable Government were most unjustly dealt with and no justice was done to me.

I therefore beg leave to submit herewith my appeal to the Right Honorable the Secretary of State for India with full valid reasons to establish my Claim to the Office in question and solicit that your honor will have the same forwarded to its proper destination with the favorable recommendation of this Government after obtaining a full report on the Subject from the Collector through the Board of Revenue to see me justice done by this Government by taking into your serious consideration my valid and unobjectionable claim to the hereditary Curnum Office in question.

I beg to remain
Honored Sir
Your most Obedient Humble Servant.
