Proceedings of the Madras Government, Revenue Department,
6th September 1869.

No. 104. Read the following Proceedings of the Board of Revenue, dated 20th August 1869, No. 6,237 :—

Read the following letter from the Collector of Bellary, to the Acting Secretary to the Board of Revenue, dated 4th August 1869, No. 202.

I HAVE the honour to report, in view to the orders of the Board being obtained on the subject, that the Acting Sub-Collector of this district has brought to my notice that, in consequence of some boundary dispute between the Shrotriem village of Loloor in the Anantapur Talook and that of Martadu of the same talook, a piece of land, measuring acres 12-12-8, and assessed at Rupees 3-11-8, bordering on these two villages, and brought under cultivation in Fusly 1271, has been included in the accounts of the latter village for Fuslies 1271, 1272, 1273, and 1274, and the assessment collected on the same for those years, amounting to Rupees 14-14-8, credited to Government. He further reports that from the inspection of the Revenue Inspector directed at the request of the Shrotriemdar, it appears that the land in question belongs to the Shrotriem village, and that the villagers of Martadu are willing to give up the land in favour of the Shrotriemdar. He explains that the delay in submitting this claim was owing to the Tahsildar's report, received in 1865, on the subject having been mislaid in his office, and to the matter having escaped attention till the report was discovered.

2. I request that you will obtain the order of the Board for the refund of Rupees [illegible], credited to Government under the circumstances above set forth.
