Proceedings of the Madras Government, Public Works Department, 27th July 1869.

No. 657. Read the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Public Works Department, dated Bangalore, 17th July 1869, No. 71 :—

With reference to G. O., No. 1,994, of the 18th June 1869, the Controller of Public Works Accounts has desired me to restrict the expenditure on the bridge across the Condamoor river to the moiety from the Local Funds. The foundations are down, all materials prepared, and more than half of the sanctioned amount has been already spent; and the Range Officer expects to have the bridge completed and open for traffic in October next. The work cannot be therefore left in its present state without loss to Government.

2. As the full amount of the estimate* for the bridge has been granted from the Local Fund in the current year's Budget, and placed at the disposal of the Range Officer, I have the honour to request that the Government will be pleased to order the work to be proceeded with from this grant, on condition of the moiety to be borne by the Imperial Funds being remitted to the Local Funds later in the year.

* Rupees 4,310, Item No. 389.

3. A transfer of Rupees 2,155 might be made from the allotment of Rupees 20,000 for the road from Pondicherry to the Merkanum Salt Pans.

No. 658. Order thereon, 27th July 1869, No. 2,465.

ACCOUNT, No. 56.

As it appears that the sum of Rupees 2,155 required to be provided from Imperial Funds to meet a moiety of the estimated cost of the bridge across the Condamoor river on the District road between Tindevanum and Pondicherry can be immediately made available from the current year's allotment for the road from Pondicherry to the Merkanum Salt Pans, His Excellency the Governor in Council resolves in anticipation of the approval of the Government of India. to sanction the transfer of funds proposed in paragraph 2.

Item No. 302.
