No. 128. Read the following Proceedings of the Board of Revenue, dated 19th August 1869, No. 6,204 :—

Read the following letter from the Collector of Salem, to the Acting Secretary to the Board of Revenue, dated 3rd August 1869, No. 169.

Referring to your official memorandum of the 14th May last, No. 481, I have the honour to enclose a statement showing the Gidagavel lands held by Government in Mutas. The statement shows the cultivation of Fusly 1277, the tree-tax, and the waste, both assessed and unassessed.

2. The lands are situated in four Mutas, all in the Trichengode Talook. The revenue now derived from these lands amounts to Rupees 1,900-12-1, and is entered in the accounts under the head "Land Revenue" like all ryotwary revenue. The assessed waste is acres 60-31-10 (Rupees 43-0-6), and the unassessed waste is acres 1,940-25-13.

3. The lands shown in the statement are only those which are included in the Muta ayacut, but the assessment has all along been collected by Government. There are other lands known as Gidagavel, but they do not form a part of the ayacut of any Muta. They are always known as "Amany Gidagavel." These are situated in six villages, five of which are entire ryotwary villages, one only is a Jary Muta village ; but still the lands do not form a part of the ayacut of the village. They themselves form a separate ayacut, and for which there are sepa... Fymash accounts.
