RESOLVED that the foregoing statement for 1868 be submitted to Government, with reference to their order, dated 8th August 1864, No. 1,424.

2. The total amount of the allowances current on the 31st December 1867, was Rupees 60,102, and on 31st December 1868, Rupees 61,040, or Rupees 938 more; while the number of Yeomiahs was reduced from 600 to 592.

3. The following statement shows the variations in number and amount under each class of Yeomiahs:—

4. The increase in the Godavery District consists of a lapsed pension omitted in the preceding but entered in the present return, as it has been continued to the heir of the last holder under Government Order, dated 16th April 1868, No. 901.

5. The claimants to three lapsed pensions in 1866-67 in Kurnool having appeared only in 1868, the allowances were not included in the previous year's statement.

6. The number in North Arcot has increased from 129 to 138, or by 9, which is the net result of a decrease of 6 from death, commutation, and other causes, and an increase of 15 being religious service, etc., allowances re-continued under the orders of Government quoted in the margin.

7. The Collector of Madras in his former return gave the numbers of the "subsistence life pensions," and pensions for "more than one life" at 28 and 21 respectively for the year 1867, and in his present statement at 32 and 17 for the same year. The Board presume that 4 of the pensions of the latter class having

been discovered to belong to the former, were transferred to it since the date of the first return, thus causing the discrepancy above pointed out; but the Collector will be requested to explain the matter.
