Proceedings of the Madras Government, Revenue Department, 9th September 1869.

No. 164. Read the following despatch from the Right Honourable the Secretary of State for India, (Financial,) to His Excellency the Right Honourable the Governor in Council, Fort Saint George, dated India Office, London, 5th August 1869, No. 65 :—

I HAVE considered in Council your letter in the Revenue Department, No. 36, dated 15th June 1869, regarding the steps to be taken for the apprehension of Thomas Turnbull of the Forest Department.

2. With respect to the doubts therein expressed, as to the expediency of incurring the expense of sending Home a person in charge of the Depositions and Warrant against Turnbull, my views have been already communicated to you in the Telegram of the 18th June last, which will have informed you that it is considered right, on public grounds, to incur the expense of the proceedings necessary for Turnbull's identification and conviction.

3. I take this opportunity of stating that the Note for £827, referred to in the previous correspondence on this subject, is still in the hands of the French Police, and that there is every reason to believe that the amount will ultimately be recovered by Government.

No. 165. ORDER THEREON, 9th September 1869, No. 2,547.

Miscellaneous.

ORDERED to be recorded.

2. It is observed that the action taken by Government, with reference to the Telegram of 18th June 1869, referred to in paragraph 2 of the foregoing despatch, was reported to the Secretary of State in the despatches, dated 12th July and 10th August 1869, Nos. 38 and 49.
