*Proceedings of the Madras Government, Revenue Department,
9th September 1869.*

No. 166. Read the following Proceedings of the Board of Revenue, dated 19th August 1869, No. 6,203:—

Read the following letter from J. R. ARBUTHNOTT, Esq., Officiating Collector of Madura, to the Acting Secretary to the Board of Revenue, dated Sem-baganoor, 6th July 1869, No. 215.

In reply to the Proceedings of Government, dated 4th June 1869, No. 1,582, communicated by the Board, under date the 9th idem, I have the honour to report that no Cinchona plants were supplied to the Collector of this district by the Superintendent of Cinchona Plantations, nor was a copy of the Proceedings of Government, dated 29th August 1867, No. 2,031, communicated to this office.

2. In case, however, it is thought desirable to make an experiment now, I shall be happy to undertake and carry out the same in communication with the Deputy Conservator of Forests.

SUBMITTED to Government, with reference to Government order, dated 4th June 1869, No. 1,582.

2. The Board would draw the attention of Government to the proposal contained in paragraph 3 of the Acting Collector's letter, and suggest that measures be adopted for introducing Cinchona into the villages on the Palani Hills. They understand that Mr. Lvinge has been very successful with it in the European Settlement at Kodukanal.

No. 167. ORDER THEREON, 9th September 1869, No. 2,548.

Miscellaneous.

Order, dated 9th June 1866, No. 1,393.
Do. 29th Aug. 1867, „ 2,031.

THE Superintendent of Cinchona Plantations has been twice directed to supply Cinchona plants for cultivation on the Palnis, but the orders have not been carried out. In the Acting Super-

intendent's letter, dated 26th August 1867, No. 115, recorded in the Proceedings of Government, dated 29th August 1867, No. 2,031, he promised to supply 100 well-established plants on receiving instructions from the Collector respecting the despatch and the route by which they should be taken; but the Acting Collector states that no copy of the order of Government was communicated to his office. The Register of the Government office shows clearly that a copy of the order in question was forwarded to the Collector direct from this office by Post.

2. The Government regret that by some mistake the Cinchona cultivation on the Palnis, ordered in June 1866, has not been yet commenced. Mr. Arbuthnott will at once apply to Mr. McIvor, through the Commissioner of the Neilgherries, for the supply of plants, and make proper arrangements for their cultivation, as originally intended.

Acting Secretary to Government.
