Proceedings of the Madras Government, Revenue Department,
10th September 1869.

No. 180. Read the following Proceedings of the Board of Revenue, dated 12th July 1869, No. 4,992 :—

Read the following letter from the Collector of Coimbatore, to the Acting Secretary to the Board of Revenue, dated 5th June 1869, No. 116.

With reference to the Proceedings of the Madras Government and their order thereon, dated 6th March 1869, No. 577, I beg to report that the boundaries of the land for which a Cowle Puttah was granted by the former Collector, Mr. Thomas, to Rustumjee & Co., and which is now in the possession of Andoosaib, are now being cleared by the latter individual, and so soon as the season admits of demarcation by the Survey Department, the same will be done. The vague boundaries in the Puttah appear to embrace a larger portion of land than is shown therein. He will be required to select one block within those boundaries in connection with his clearing.

2. A copy of the Cowle Puttah was furnished to Captain Gosling with Mr. Grant's letter of the 20th January 1867, No. 5, and he (Mr. Grant) was under the impression that it was sent up to the Conservator of Forests by Captain Gosling. I have now furnished a copy to Major Beddome.

3. The history of the grant of land to Rustumjee & Co. has been so fully given in the correspondence noted in the margin, that I do not consider it necessary to recapitulate it.
