Proceedings of the Madras Government, Revenue Department,
10*th September* 1869.

No. 182. Read the following Proceedings of the Board of Revenue, dated 27th August 1869, No. 6, 444 :—

Read the following letter from the Collector of Bellary, to the Acting Secretary to the Board of Revenue, dated 7th August 1869, No. 205.

With reference to the order of Government, dated 25th June, No. 1,820, forwarded with the Board's foot-note, dated 2nd ultimo, I have the honour to state that the old Talook Cutcherry at Bellary, together with the site, was sold by public auction on the 27th *ultimo*, and realised Rupees 5,200, which sum has been carried to the credit of Government. The outside worth of the materials was Rupees 1,500, and the large sum realised was owing to the value of the site which the Municipal Commissioners hoped would have been transferred to them, it being situate in the centre of the town of Mellorpettah. From its position and limited extent it could not have been used for any public purpose, but the sale proceeds would have been of great assistance in carrying out the extensive improvements in progress in the town.

Submitted for the information of Government, with reference to Government order, dated 24th June 1869, No. 1,820.

2. In communicating the above Government order to the Collector, the Board requested him to report the use to which the Municipal Commissioners proposed to put the site in question. From this letter Government will perceive that the site was desired for the purpose of being sold and the sale proceeds devoted to the improvement of the town of Mellorpettah in which it is situated.

No. 183. Order thereon, 10th September 1869, No. 2,556.
