Proceedings of the Madras Government, Revenue Department, *11th September* 1869.

Read the following letters :—

No. 193. From the Superintendent of Revenue Survey, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 24th August 1869, No. 1,940-57.

The Honourable Secretary, Census Committee, has applied for a copy each of all the lithographed maps of the Madras Town Survey, with the intention, I understand, of having them re-lithographed.

2. Before complying with his request, I have the honour to solicit an expression of the wishes of Government on the subject, and to request I may be informed whether it is their desire that the results of this expensive survey should be made over gratuitously for the use of the Census Committee.

3. I would suggest that, if this Committee produces a fresh edition of some 600 copies, (as I believe is contemplated,) it should be called on, at the close of its labours, to account for the number of copies that may be printed, and should also furnish this office, for the benefit of Government, with, say, 20 copies of each map print[illegible].

[illegible] I make this suggestion in the interest of Government, as the issue of 600 copies of the maps must altogether prohibit any hope of increasing the present very limited demand for maps of the Madras Town Survey.

No. 194. From the Superintendent of Revenue Survey, to the Under Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 27th August 1869, No. 1,984-59 :—

In reply to your official memorandum of this day's date, No. 118, I have the honour to append a statement of the number of lithographed copies in store of the map of each division of Madras.

2. The map of one division, named in the margin, has not yet been lithographed, but although no order on the subject has been issued, I purposed lithographing it as soon as an opportunity occurred ; should Government desire it, 600 or 700 copies of this map might be prepared in this office, and the Census Committee thus supplied.
