No. 156. Read the following letter from the Additional Principal Sudder Ameen of Mangalore, to the Chief Secretary to Government, Fort Saint George; dated Mangalore, 7th July 1869, No. 46.

I have the honour to submit, for the consideration and orders of Government, copy of a memorandum received from the Deputy Accountant General under date the 7th April last, from which it is clear that Rupees 100 have been retrenched from my pay for February last.

2. The Deputy Accountant General seems to consider that I am entitled for the time* which I actually spent in transit from Tanjore to Mangalore to an allowance equal to the pay (300 rupees) of my former permanent post of First Class District Moonsiff of Tanjore. But I beg to state that ere I left Tanjore I was as Acting Principal Sudder Ameen of that place already drawing the full pay of my present permanent appointment, and this from 8th December 1868 when it was duly published.

* Fourteen days from 15th to 28th February.

3. Up to 14th February 1869, when I was relieved by the Principal Sudder Ameen of Tanjore, such full pay was issued to me. I since started and took charge of my Court here on the 1st March following, traversing the unusually long distance of about 450 miles, and drawing even no travelling allowances on the occasion.

4. The principle laid down in Rule No. 743, dated 25th May 1869, and published in the *Fort Saint George Gazette* of the 15th June, page 919, seems to support my case.

5. Under these circumstances, I beg respectfully the Government will be pleased to direct that the sum retrenched may be ordered to be refunded to me.
