Approving of the formation of a bandy-petta on certan land applied for by the Acting Collector of Coimbatore.

Nos 11-9th Augt 69

With Order

No. 211. Read the following letter from the President of the Municipal Commission, Coimbatore, to the Chief Secretary to Government, Fort Saint George; dated Coimbatore, 21st July 1869, No. 11.

As requested in the Proceedings of Government, Public Department, dated 16th June 1869, No. 815, I have the honour to report that no refuse has been shot on the dunghill alluded to for some time. There was, I believe, considerable difficulty in obtaining a suitable site for the deposit of the sweepings of that part of the town, and the site in question being Government waste was used for the purpose. The refuse has been sold, and most of it is now removed. The dunghill is on the same level as the land the Municipal Commissioners propose to include with it and to form into a bandy-pettah.

2. The latrines have been removed to about 133 yards to the eastward of the proposed bandy-pettah, and will not contaminate the water which will be used by the people frequenting the place. There is a good well within a hundred yards of the place, which is moreover close to the big tank, so that I do not anticipate any deficiency in the supply of water.

3. The removal of the dunghill, and the thorough cleansing and conversion of the site into a bandy-pettah, will be a great improvement to that part of the town.

No. 212. ORDER THEREON, 30th July 1869, No. 1063.

Under the circumstances stated by the President of the Municipal Commission, Coimbatore, the Governor in Council sees no objection to the formation of a bandy-pettah on the land applied for by the Acting Collector of Coimbatore in his letter, dated the 8th April last, embodied in Proceedings of Government, Revenue Department, dated 9th June, No. 1626.
