Proceedings of the Madras Government, Public Works Department,
10th August 1869.

No. 214. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated camp at Nuzeed, 24th July 1869, No. 65 :—

I HAVE the honour to report that land was taken up and work commenced on widening the main canal under the sanction of G. O., No. 3,395, of 24th October 1866.

2.—The estimated amount, Rupees 20,080, is however quite insufficient, and under instructions from the Chief Engineer for Irrigation, I am preparing a fresh estimate which I hope shortly to submit. Meanwhile, the owners of the land required payment. Rupees 2,540 were advanced by the late Superintending Engineer, of which Rupees 2,260 were paid by the Collector, and the balance was at the end of the official year re-credited to this department.

3. The balance, Rupees 280, he now asks for, and as it appears justly due, I have authorised the range officer to pay it from the Rupees 7,300 allotted in No. 152 of this year's Budget.

4. Due provision will be made in the estimate now under preparation for compensation; but I am obliged to trouble Government to grant their approval, as the expenditure must now appear as "Advances to civil officers."

No. 215. ORDER THEREON, 10th August 1869, No. 2,629.

ACCOUNT, No. 11.

THE proceeding of the Superintending Engineer, as reported in paragraph 3 of this letter, is approved.
