*Proceedings of the Madras Government, Revenue Department,
5th October 1869.*

No. 46. Read the following Proceedings of the Board of Revenue, dated 14th September 1869, No. 6,893 :—

Read the following letter from the Collector of the Godavery District, to the Acting Secretary to the Board of Revenue, dated Cocanada, 1st September 1869, No. 207.

I HAVE the honour to forward, for sanction of Government, a survey,* four plans,* one specification, and an estimate, amounting to Rupees 18,200, received from the Superintending Engineer, for constructing a district road from Khandavilly Lock to Peravally, (3½ miles in length), to join east bank of Narsapur canal with the road along the river embankment.

* By banghy.
† Imperial, Item No. 234.

2. In the current year's Budget† Rupees 5,000 are provided for expenditure on this road.

3. Captain Fischer states that from the survey and specification, it will be observed that Rupees 3,138 have to be contributed, by Government, from Imperial Funds on account of masonry works over irrigation channels.

ENCLOSURE No. 1.—Estimate.

—
ENCLOSURE No. 2.—Specification Report.

—
ENCLOSURES Nos. 3 to 7.—Plans.

THE estimate, amounting to Rupees 18,200, for the construction of the road from Khandavilly Lock to Peravally (3½ miles in length), is submitted for the sanction of Government.

2. The work appears as Item No. 30 in the current year's Budget with an allotment of Rupees 5,000.

3. The estimate is made up of the following items :—

	RS.
Earth-work	5,712
Bridges, etc.	11,088
Compensation for lands	1,400
	18,200

4. It is observed that Rupees 3,138 out of the cost of bridges, is said to be payable out of Imperial Funds; but the Board find on examining the estimates that this is the total cost of the bridges to which the order of Government of the 11th March 1869, No. 656, is said to apply, so that the real amount debitable to Imperial Funds is Rupees 1,509. The Collector should have noticed this point. He will now report if the Board's calculation is correct, and whether he considers that the principle of the Government order has been correctly applied.
