*Proceedings of the Madras Government, Revenue Department,
6th October 1869.*

No. 71. Read the following letter from R. F. CHISHOLM, Esq., Architect, Madras, to the Secretary to Government, Public Works Department, dated Madras, 24th September 1869, No. 355:—

I HAVE the honour to return the papers, received with G. O., No. 2,855, of the 1st instant.

2. The plan forwarded appears to be the old standard adopted before the order was issued, directing all treasury-buildings to be made defensible. This plan was, I believe, condemned by the Subsidiary Jail Committee, and I think it would be advisable to erect a Cutcherry from one of the later standard designs.

3. I enclose a tracing of the site, showing the position the Cutcherry might occupy, and, if there are no local objections to this position, the out-buildings might be grouped around in the most convenient positions with reference to the prevailing winds and undulations of ground, etc.

TRANSFERRED to the Revenue Department with reference to the orders in that department, No. 2,405, dated 24th August 1869.

(Signed) CHARLES A. ORR, Colonel, R.E.,
28th September 1869. Secretary to Government, P.W.D.
