*Proceedings of the Madras Government, Revenue Department,
7th October 1869.*

No. 96. Read the following Proceedings of the Board of Revenue, dated 24th September 1869:—

Read the following papers from the Collector of Cuddapah, dated 18th September 1869.

1. Budget-Estimate of Local Fund Receipts for 1870-71.
2. Do. of Receipts and Charges for do.
3. Part I.—Original Works to be executed during 1870-71.
4. Part II.—Repairs, etc., do. do.

RESOLVED that the foregoing papers be submitted for the approval of Government, with reference to paragraph 1 of their order, dated 16th March 1869, No. 711.

2. Part I. of the Budget contains four works, with an allotment of Rs. 18,660, of which the first three are sanctioned works, and the last one is a fresh proposal. It is observed that no estimate has as yet been submitted for the second work, but that in their order of the 3rd December 1867, No. 2,865, Government have authorized its execution in anticipation of sanction to the estimate.

3. In explanation of the fact that the Collector proposes to commence road No. 4 before finishing Nos. 2 and 3, it may be mentioned that road No. 4 is a continuation of road No. 3, and that both are eminently required to place the isolated talook of Khadri, which suffered so severely from scarcity last year, in connection with the Railway.

4. The only alteration the Board have made is to take Rupees 1,000 from road No. 4, and add it to road No. 1, so that the latter may be completed.

5. Part II. contains thirty-nine repair-works with a total allotment of Rupees 50,390, besides a provision of Rupees 2,000 under Miscellaneous Public Improvements, for maintaining avenues. The mileage allowances are decidedly moderate.

6. It will be seen from the abstract that the expected income of the Road Fund is given as Rupees 95,600, and that the proposed expenditure amounts to Rupees 95,490, leaving an unappropriated balance of Rupees 110.

No. 97. ORDER THEREON, 7th October 1869, No. 2,748.

Local Funds, No. 4.

Civil Works.

THE Budgets of Receipts and Charges of the several Local Funds in the Cuddapah District, submitted with

the Board's Proceedings above recorded, are approved.

2. The Government would prefer making larger allotments for roads Nos. 2 and 3 in Part I. of the District Road Fund Budget, by omitting the new road No. 4; but as the Collector seems to attach great importance to commencing the last work at once, they would not disturb the arrangement.

3. Any further delay in the submission of the estimate for the road from Prodattur to Nandiyalumpet should be avoided. The work was ordered to be

commenced in December 1867, on the understanding that the estimates for it and some other roads were "about to be submitted."

4. The probable balance under "Jungle Conservancy Fund" at the close of 1870-71, is stated at Rupees 10,000. This sum may well be spent during the year on plantations and avenues. The Board are accordingly requested to make allotments for this purpose.

5. The portions of local roads "completed" and "in progress" should have been shown in different colours in the Map submitted with the Budget.
