Proceedings of the Madras Government, Revenue Department, 8th October 1869.

No. 100. Read the following Proceedings of the Board of Revenue, dated 23rd September 1869, No. 7,059 :—

Read the following letter from the Acting Collector of South Canara, to the Acting Secretary to the Board of Revenue, dated Mangalore, 24th August 1869, No. 1,157.

REFERRING to the order of Government noted in the margin, in which sanction is given for the grant, free of tax, of a piece of ground for the Manjeshwar Rate School, I have the honour to bring to the notice of the Board that the exact extent of the site required by the School Commissioners for the erection of the school is three guntas and six hanes, equal to 3,675 square-feet, and not 625 square-feet as given in Mr. Boswell's letter which was a clerical mistake. In directing the Tahsildar to make over the site to the Commissioners, therefore, I have rectified the error, and beg to note the fact for the Board's information.

Proceedings of Government, 24th March 1869, No. 821, Revenue Department.

SUBMITTED to Government with reference to Government order, 24th March 1869, No. 821, and with the request that their sanction may be renewed for the grant of a site of the larger dimensions specified by the Collector for the Manjeshwar Rate School.
