Proceedings of the Madras Government, Revenue Department, 8th October 18[illegible].

No. 102. Read the following Proceedings of the Board of Revenue, dated 27th September 1869, No. 7,147 :—

Read the following letter from the Collector of North Arcot, to the Acting Secretary to the Board of Revenue, dated Chittoor, 4th September 1869, No. 261.

ADVERTING to the Proceedings of the Board, dated 25th ultimo, No. 6,402, communicating the order of Government in the Revenue Department, dated 19th July last, No. 2,098, I have the honour to state that the Board will readily gather from the revised Budget recently submitted, that there has been the very greatest difficulty in providing for the mere "up-keep" of the roads therein entered, and that the diversion of any part of the available funds appropriated for this purpose would throw the whole operations of the year into irreparable confusion. There is therefore no help for it but that these works stand over as they are until next year, in the hope that the funds will admit of prosecuting some of them to completion, and carrying out such precautionary measures with respect to others as will keep them in *statu quo* until their turn comes. My own opinion is, that if some small provision be made for keeping the cheek-drains and side-channels open during the rains, no very rapid deterioration need take place.

SUBMITTED to Government with reference to Government order, dated 19th July 1869, No. 2,098.

No. 103. ORDER THEREON, 8th October 1869, No. 2,751.
