*Proceedings of the Madras Government, Revenue Department,  
14th October 1869.*

Read the following letters :—

No. 186. From R. E. MASTER, Esq., Director of Revenue Settlement, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 1st October 1869, No. 1,390-35.

I HAVE the honour to submit the Budget-Estimate of the Settlement Department for the official year 1870-71. The total amount is Rupees 2,86,600 against Rupees 3,20,600, the estimate for the current year, sanctioned in Government order, dated 10th November 1868, No. 2,814. Of the present estimate, Rupees 24,000 have been provisionally entered, in communication with the Board of Revenue, on account of the Settlement Establishment employed under the Collector of Tinnevely, from whom detailed estimates have yet to be received. The estimate for the Settlement Department proper is Rupees 2,62,600, or Rupees 20,000 below the current year's estimate. No change has been made in the provision for the Central Office. In Party No. 1 (Kistna) in addition to the necessary Establishment, a Covenanted Deputy-Director has been provided for six months, in anticipation of orders being passed on the settlement of the Gunttoor Division in time to allow of its introduction during the official year. In Party No. 2 (Salem) a Covenanted Deputy-Director, with the requisite Establishment, has been allowed for the whole year. The same provision was made in the current year's Budget, but no portion of it has as yet been required, owing to the non-issue of final orders on the Salem settlement which, however, have been this day received with G. O., 28th September 1869, No. 2,681. Party No. 3 (Kurnool and Cuddapah) is provided for in full as usual, as far as Establishments are concerned, though reductions have been made in some miscellaneous items. Party No. 4 (Nellore) is provided for as in last year, with a slight addition to meet the amount which was, in the first instance, disallowed from

the current year's Budget, but afterwards, on explanation being afforded, authorized to be spent from savings, and also to avoid the necessity of indenting on the surplus

funds of other Parties (as occurred this year), to meet the cost of extra Establishments when urgently required.

No. 187. From R. E. MASTER, Esq., Director of Revenue Settlement, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 4th October 1869, No. 1,400-36.

REFERRING to my letter of the 1st instant, No. 1,390, forwarding the Budget Estimate of the Settlement Department for the official year 1870-71, I have the honour to state that on re-consideration, it appears to me advisable that funds should be forthcoming in the event of its being found possible to commence classification-operations in the Coimbatore District during the coming official year. It is true that in my letter of the 9th October 1868, No. 1,222, I expressed my opinion that it was then premature to organize Establishments for this purpose, but that letter was written a year ago, and six months more will elapse before the year, the

requirements of which are now being calculated will commence. The Survey Department has made considerable progress in Coimbatore, and it is quite possible that areas may be furnished, during the official year 1870-71, for a tract sufficiently large to render the commencement of classification advisable. Under these circumstances, I beg to submit a revised estimate which I request may be substituted for that already forwarded. In making the alteration I have not entered an additional Party in the estimate, but have augmented the Field Establishment of No. 2 Party (Salem) to the full sanctioned strength, providing also a First Assistant-Director and his Establishment. This arrangement will allow of the employment in Coimbatore of a Party of sufficient strength for the commencement of the work, and further provision may be made in the Budget of the following year. The addition thus made amounts to Rupees 38,000, the estimate of the Settlement Department proper becomes Rupees 3,00,600, and the total estimate, including the provision for the Tinnevely Establishment under the Collector, Rupees 3,24,600.

No. 188. ORDER THEREON, 14th October 1869, No. 2,792.

Land Revenue.

THE Budget-Estimate of the Settlement Department for 1870-71 amounts to Rupees 3,24,600 against Rupees

2,28,034, the actual for 1868-69, and Rupees 3,20,600, the estimate for 1869-70. The provision made for each Party will be reviewed as usual.

2. The estimate for the Central Office, *viz.*, Rupees 54,000, is the same as that for the current year, and is passed.

3. The estimate for Party No. 1 amounts to Rupees 28,700 against Rupees 23,188, the actual for 1868-69, and Rupees 40,600, the estimate for the current year. The decrease of Rupees 11,900 below the last-mentioned sum occurs chiefly under Establishments and cost of preparation and printing of Settlement Registers. Provision is made for a Covenanted Deputy-Director for six months for the settlement of the Guntoor Division of the Kistna District. The estimate is passed.

4. The estimate for Party No. 2, *viz.*, Rupees 82,500, is very large. It exceeds the estimate of Rupees 52,000 for the current year by Rupees 30,500; a large portion of this increase, or Rupees 28,440, occurs under Classification and Demarcation Establishment. The Director explains that the Survey Department has made considerable progress in the Coimbatore District, and is likely to furnish areas, during the official year 1870-71, for a tract sufficiently large to render the commencement of classification advisable. Mr. Master therefore considers it necessary that funds should be forthcoming for this work. The remainder of the increase is in the provision for travelling allowance for the Officers and Establishment whose movements will no doubt be more frequent as the operations are extended. Compared with the regular estimate of the current year, *viz.*, Rupees 28,000, the estimate for this Party, for 1870-71, shows a very large increase; but this result is owing to no portion of the Establishment provided for the settlement of the Salem District having been entertained up to the present time. But the final orders of Government on the settlement of this district having just been passed, the work will now be proceeded with. The estimate for No. 2 Party is accordingly passed.

*Proceedings of the Madras Government, Revenue Department,  
14th October 1869.*

5. The estimate for No. 3 Party, amounting to Rupees 94,700 against Rupees 98,500, the estimate for the current year, is passed.

6. The estimate for No. 4 Party amounts to Rupees 40,700 against Rupees 37,500, the estimate for the current year. The Director explains that the increase consists of the sum disallowed from the estimate for the current year on account of Establishments, but afterwards admitted on explanation afforded, as well as of the cost of extra Goomastahs who may be urgently required. The estimate is passed.

7. The estimate for the Settlement Establishment under the Collector in Tinnevely, amounts to Rupees 24,000 against Rupees 38,000, the estimate for the current year. The details of the former sum have not yet been submitted by the Collector. The Board will call upon that Officer to furnish them without delay. The reduced provision having, however, been entered in communication with the Board, it is provisionally passed.

8. The total of the Budget as now passed is Rupees 3,24,600, as shown below:—

The Budget  
estimate of the Settlement  
Department for 1870/71 ac-  
cords to Rs. 324,600 as  
against Rs. 228,034 the actual  
for

Revenue Settlement  
Budget

for 1871-72

11-10-63 Vol. 186-188

for 1868/69, and Rs 320,600

the estimate for 1869/70.

The provision made for each party will be reviewed as usual.

2. The estimate for the Central Office viz Rs 54,000 is the same as that for the current year and is passed.

3. The estimate for Party No. 1 amounts to Rs 28,700 against Rs 23,188 the actual for 1868/69 and Rs 40,600 the estimate for the current year. The decrease of Rs 11,900 below the last mentioned sum occurs chiefly under establish-  
ments and cost of preparation and

and printing of settle-  
ment registers. Provi-  
sion is made for a Co-  
venanted Dy. Director  
for 6 months for the  
settlement of the Guntur  
Division of the Krishna  
District. The estimate  
is passed.

4. The estimate for  
Party No. 2 viz,  
Rs 82,500 is very large.  
It exceeds the estimate  
of Rs 52,000 for the  
current year by  
Rs 30,500. A large  
portion of this in-  
crease or Rs 28,440

occurs

occurs under clas-  
sification and Demar-  
cation establishment.  
The Director explains  
that the Survey De-  
partment have made  
considerable progress  
in the Coimbatore Dis-  
trict and is likely  
to furnish a new  
during the Official year  
1870/71 for a tract suf-  
ficiently large to render  
the commencement of  
classification advisable.  
Mr. Master therefore  
considers it necessary  
that funds should be  
forthcoming

for the coming for this  
work. The remainder  
of the increase is, in the  
provision for travelling  
allowance for the Officers  
and establishment whose  
movements will no doubt  
be more frequent as the  
operations are extended  
compared with the re-  
gular estimate of the  
current year, viz Rs 28,000.  
The estimate for this  
party for 1870/71 shows  
a very large increase  
but this result  
is owing to no portion  
of the establishment  
provided

provided for the settlement of the Salem District having been entertained up to the present time. But the final orders of Government on the settlement of this District having just been passed, the work will <sup>now</sup> be proceeded with. The estimate for No 2 Party is accordingly passed.

5. The estimate for No 3 Party amounting to Rs 94,700 against Rs

Rs 98,500 the estimate for the current year is passed.

6. The estimate for No 4 Party amounts to Rs 40,700 against Rs 37,500 the estimate for the current year. The Director explains that the increase consists of the sum disallowed from the estimate for the current year on account of establishments but afterwards admitted on explanation afforded, as well as of the cost of extra gunmaster who may be urgently required. The estimate is passed.

7. The estimate for the Settlement establishment under the collector is immediately amounts to Rs 24,000 against Rs 38,000 the estimate

Accountant General.

<sup>Current</sup>  
estimate for the year. The details for the former sum have not yet been submitted by the collector. The Board will call upon that officer <sup>to furnish</sup> to submit them without delay. The reduced provision having, however, been entered in communication with the Board, it is provisionally passed.

8. The total of the Budget as now passed is Rs. 3,24,600 as shown below.
