IRRIGATION, No. 21.

As, on reference to the Resolutions of the Government of India regarding Dr. Day's researches in connection with sheries, it would appear that outlay on the construction of fish ladders at the arious anicuts should properly be classed under "Irrigation," His Excellency ie Governor in Council resolves, in modification of the orders conveyed in G. O., o. 2,530, dated 2nd August 1869, to authorize the Superintending Engineer of ie 6th Division to proceed, as soon as the state of the river will permit, with the rection of the fish ladder therein approved at an estimated cost of Rupees 3,060, hich sum will now be granted from the Reserve under "Agricultural."

2. As it is observed from paragraph 8 of Captain Oakes's letter dated 14th uly 1869, No. 477, that a fish ladder is necessary at the Upper as well as at the ower Anicut, that Officer will furnish an estimate for its construction.
