4. It will be observed that in Government order, dated 11th November 1868, No. 2,831, Government have directed that the four lines noted in the margin should be considered as Salt roads in this district. Of these, Nos. 17, 18, and 19 appear in the list annexed to the 2nd paragraph. The other roads are also entered there, because they bear more or less on the development of the salt revenue. For instance, road No. 15 connects Combaconum with Adrampatam; that numbered 21 connects Arasanagari with Aruntanghy; and those numbered 32, 44, and 48 bring the Neidavassel depôt in communication with Mayaveram, Teruvengaud, and Combaconum, and with the intermediate country.

17. Vedarniem to Mannargudi (34 Miles.)
18. Adrampatam to Gandracottah (32 Miles.)
19. Pattucottah to Tanjore (40 Miles.)
20. Kattumavady to Aruntanghy (20 Miles.)

SUBMITTED for the information of Government.

2. In future reports, the Collector should state whether all the salt roads are in fair order, and if not, where further efforts and expenditure are required.
