*Proceedings of the Madras Government, Revenue Department,
23rd October 1869.*

No. 267. Read the following Proceedings of the Board of Revenue, dated 7th July 1869 :—

Read Proceedings of the Madras Government, Revenue Department, dated 1st June 1869, No. 1,527.

THE report of the Customs Officers of the Mauritius is to the effect, that no import of Opium has been openly made from any Madras Port, and that suspected persons, especially Chinamen, have been closely watched, and no smuggling detected.

2. From Pondicherry it appears that from one vessel 333 one-pound tins were landed, which had obviously been smuggled on board at that port; and the Customs Establishment at Madras have reliable information that much smuggling across the frontier is carried on, probably in cases of Indigo, etc., which are not opened on the frontier.

3. Nothing but the most strict scrutiny on the part of the South Arcot Customs and Preventive Establishments will avail to break up the system, and the particular attention of the Collector will be again drawn to it.

No. 268. ORDER THEREON, 23rd October 1869, No. 2,828.

Separate Revenue, No. 20.

Customs.

ORDERED to be recorded.

(True Extract.)

(Signed) H. WELLESLEY,

Acting Under Secretary to Government.

To the Board of Revenue.
