*Proceedings of the Madras Government, Revenue Department,
25th October 1869.*

No. 289. Read the following letter from the Resident in Travancore and Cochin, to the Chief Secretary to Government, Fort Saint George, dated Quilon, 13th September 1869, No. 77:—

In forwarding the enclosed original communication* from the Dewan of Travancore, I have the honour to request that, if objection, of which I am unaware, does not exist, the Bombay authorities may be moved to allow the export of Opium by the Travancore Contractor on the same terms as rule the export of the drug to foreign territory by other persons.

ENCLOSURE No. 1.

From SIR T. MADAVA ROW, K.C.S.I., Dewan, to the British Resident of Travancore, etc., etc., etc., dated Trevandrum, 10th September 1869, No. 3,844R.-1,143.

You are perhaps aware that the sale of Opium in this State is licensed by the Sirkar on a system analogous to Abkarry. The Contractor gets Opium and sells through sub-agents, paying a certain amount of rent to the Sirkar.

2. The Opium Contractor often gets his supplies from Bombay, and hitherto he appears to have been allowed to export it without hindrance. But on the present occasion, I have received the following telegram from the Contractor, which seems to indicate some difficulty in the way of his exporting the article.

3. I have therefore the honour to request you will be good enough to take such steps as you may deem fit, to allow our Opium Contractor for this year to export the article from Bombay on the same terms as persons exporting it from British India to foreign territory.
