Colonial Secretary's Office
Colombo, 18th August 1869

Sir,

I am directed by the Governor of Ceylon to ask you to be good enough if it is in your power to do so, to procure for the use of this Government Part XX of Beddome's Ferns of British India to replace one which through some accident is missing from the copy of the work presented to this Government by the Government of Madras.

The Agents of the Ceylon Government to whom I applied on the subject inform me that they are unable to procure one part unless they purchase the entire work.
