AUGUST.
Nos. 167-168.

Sanctioning the erection of a new Cutcherry and Subsidiary Jail on Standard Plan No. 3 at [illegible], Godavery District.

With Order
123 27 Aug 69

Proceedings of the Madras Government, Judicial Department,

21st August 1869.

No. 167. Read the following letter from the Magistrate of the Godavery district, to the Subsidiary Jail Committee, Madras; dated Cocanada, 28th July 1869, No. 171.

The Superintending Engineer, 1st Division, informs me that the Sub-Magistrate's Cutcherry at Tuni is reported, by the Assistant Engineer in charge of No. 6 Range, to be in such a state of disrepair and so extremely old that he considers it not worth repairing, and, therefore, proposes the construction of a third-class Cutcherry and Subsidiary Jail in accordance with Standard Plan No. 3, approved of in Government Order, Judicial Department,* No. 375, dated 10th March 1869, in lieu of the alterations, &c., proposed by the Subsidiary Jail Committee in paragraphs 32 to 34 of their Report, No. 213, of the 10th November 1868, embodied in Government Order,† Judicial Department, of the 8th December 1868, No. 1844. I request instructions on the subject for communication to the Superintending Engineer.

* Public Works Department, No. 1032, dated 31st March 1869.

† Public Works Department, No. 3936, dated 21st December 1868.

2. The Assistant Engineer in his letter to the Superintending Engineer states that the accommodation of the present Cutcherry is also quite insufficient, as per accompanying plan.

No. 168. ORDER THEREON, 21st August 1869, No. 1388.

As it appears from the foregoing letter from the Magistrate of the Godavery district that the Sub-Magistrate's Cutcherry at Tuni is not worth repairing, and that the accommodation it affords is insufficient, His Excellency the Governor in Council sanctions the erection of a new Cutcherry and Subsidiary Jail on Standard Plan No. 3, in supersession of the four wards and subsidiary buildings authorized in G. O., dated the 8th December 1868, No. 1844.

2. A copy of these Proceedings will be furnished to the Public Works Department with a view to instructions being issued, when funds are available, for the erection of the new Cutcherry and Jail.
