No 11-3rd Sept 1869 *L*

*Proceedings of the Madras Government, Public Works Department,
31st August 1869.*

No. 636. Read the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Public Works Department, dated Kistnagherry, 20th August 1869, No. 92:—

I HAVE the honour to forward, for the sanction of Government, a revised estimate of Rupees 1,380 for cutting a channel from the Guddelum river to supply Manaloor tank and constructing a head sluice, in the Trikalore Talook of the South Arcot District.

1 Comparative Statement.
1 Abstract of Supplemental Estimate.
2. An estimate of Rupees 1,000 was sanctioned in G. O., No. 3,545, dated 13th November 1868. The necessity for the supplemental estimate is owing to its having been found necessary to place the head of the channel higher up the river, so as to give the channel a proper fall.

3. There was an outlay of Rupees 500 in the last official year, and I request that Government will be pleased to sanction the sum of Rupees 880 for the completion of the work from the Reserve for 1869-70 under "Agricultural."

No. 637. ORDER THEREON, 31st August 1869, No. 2,841.

IRRIGATION; No. 30.

THE revised estimate of Rupees 1,380 for cutting a channel from the Guddelum river to supply the Manaloor tank and for constructing a head sluice, in the Trikalore Talook of the South Arcot District, is approved, and the sum of Rupees 880 required to complete the work is sanctioned from the Reserve under "Agricultural."
