No 2424 7 Sept 69

With an order

No. 7. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 14th August 1869, No. 1,923 :—

WITH reference to G. O., No. 2,445, dated 26th July 1869, I have the honour to inform you that no funds can be spared from any of the special grants for repairs to roads in this Division to meet the cost of the estimate sanctioned in the G. O. under reply, as the present grants are hardly sufficient for maintaining in proper order the roads in question.

2. If no other funds can be provided, perhaps a loan can be obtained from the Local Fund for this year's requirements.

No. 8. ORDER THEREON, 1st September 1869, No. 2,850.

ACCOUNT, No. 1.

As the Government have no funds at their disposal under "Repairs, Communications" to meet the proposed outlay on certain bridges on Salt Road No. 2 from Nowpada viâ Jaganadpore to the Vizagapatam frontier, the suggestion in paragraph 2 of the Superintending Engineer's letter will be referred to the Revenue Department for consideration.
