No. 9. Read the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Public Works Department, dated Kistnagherry, 19th August 1869, No. 91 :—

I HAVE the honour to forward, for the sanction of Government, a revised estimate of Rupees 1,615, in the form of a comparative statement, for restoring the ruined tank at Nawany in the Trikalore Talook, South Arcot District.

1 Comparative Statement.
1 Abstract of Supplemental Estimate.

2. An estimate of Rupees 1,380 was sanctioned in G. O., No. 3,545, dated 13th November 1868. The necessity for the supplemental estimate is owing to more rough stone revetment being required for the protection of that part of the bank where the breach occurred.

3. An outlay of Rupees 982-10-2 was made in the last official year, and I request that Government will be pleased to sanction the sum of Rupees 632-5-10 for the completion of the work from the Reserve for 1869-70 under "Agricultural."

No. 10. ORDER THEREON, 1st September 1869, No. 2,851.

IRRIGATION, No. 1.

UNDER the explanation furnished in this letter the Government sanction the revised estimate of Rupees 1,615 for the restoration of the ruined tank at Nawany in the Trikalore Talook of the South Arcot District.

2. The sum of Rupees 633 required for the completion of the work will be granted from the Reserve under "Agricultural."
