No. 188. Read the following letter from Colonel G. W. WALKER, R.E.,
Superintending Engineer, 7th Division, to the Secretary to Government,
Public Works Department, dated Coimbatore, 4th October 1869,
No. 107:—

I HAVE the honour to submit a plan and estimate of Rupees 12,500 for a
Custom-house at Cochin, in substitution of those returned to me with G.

1 Plan. O., No. 485 of 13th February; having
1 Abstract Estimate, No. 32 of 1869-70.

found that the original plan drawn up by the Collector was incapable of extension
to the amount subsequently ascertained from him to be necessary. The present
plan provides, as requested by Mr. Ballard, a waiting-room for persons having
business to transact with the Manager, and double the accommodation originally
proposed for Clerks, Accountants, and Treasury. I have entered the amount of the
estimate in my Budget List for 1870-71.

REFERRED to the Revenue Department, with reference to the Order in that
department, dated 4th February 1869, No. 308.

Miscellaneous.

THE Government in their Order,
dated 4th February 1869, No. 303,
requested the Superintending Engineer

of the 7th Division to furnish information, as to whether the plan for a Custom-

their becoming necessary.

2. Colonel Walker reports, in his letter above recorded, that the plan alluded
to is incapable of extension, and submits a revised plan with estimate amounting to
Rupees 12,500. The new plan provides a waiting-room for persons having busi-

original plan for the establishment.

3. The estimate is sanctioned, but the construction of the building must
depend upon funds being available.
