Sir,

I have the honor to submit a Plan and Estimate of Rupees 12,500—for a Sea Custom House at Cochin in substitution of those returned to me with G.O. No. 485 of 13th February; having found that the original Plan drawn up by the Collector was incapable of extension to the amount subsequently ascertained from him to be necessary. The present Plan provides, as requested by Mr. Ballard, a Waiting room for persons having business to transact with the Manager, and double the accommodation originally proposed for Clerks, accountants and Treasury. I have entered the amount of the Estimate in my Budget List for 1870-71.
