*Proceedings of the Madras Government, Revenue Department,
18th November 1869.*

No. 192. Read the following Proceedings of the Board of Revenue, dated 11th October 1869, No. 7559 :—

Read the following letter from the Officiating Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 14th September 1869, No. 248.

I HAVE the honour to request the sanction of the Board to a change in the District Post line *via* Wottapallam to Perintalmanna (Cusbah of the Walluvanad Talook) and the opening of another *via* Pattamby on the following grounds.

2. There is an experimental Post Office at Pattamby, and the distance from it to Perintalmanna is only 14½ miles along a bridged road, while the distance from Wottapallam to Perintalmanna is 21 miles, and a delay of about three hours occurs by the present arrangement, owing to the detention of the tappal at Cherupalsheri, which is an intermediate District Post Station; moreover, the conveyance of the mail over the Thuthapuy, a river near Perintalmanna, is sometimes interrupted during the monsoon.

3. The number of servants employed in the Talook Cutcherry and on the line and that now proposed are as follow :—

As per sanctioned.

Three letter poons.

Four runners.

Proposed.

Two letter poons.

Five runners.

4. One of the three letter poons at the Talook Cutcherry and the other runner can be posted on the line from Wottapallam to Cherupalsheri, which should remain open. The distance is 11 miles, and these two men will, therefore, suffice.

THE Board resolve to recommend Government to sanction the arrangement proposed by the Collector, on the understanding that no increase of expenditure is involved in it.

2. The Board presume that the pay of the proposed establishment will be the same as that of the present, but the Collector should report distinctly on this point.

No. 193. ORDER THEREON, 18th November 1869, No. 2,988.
