Read Proceedings of the Madras Government, Revenue Department, dated 1st September 1869, No. 2,472.

THE Board observe that the provision in the current year's Budget for Hoozoor Establishments in North Arcot is inadequate to meet the proposed charge.

2. They will, if Government sanction, provide for it in the ensuing year's Budget, now under preparation.

No. 199. ORDER THEREON, 19th November 1869, No. 2,991.

Miscellaneous.

Resolution dated 10th July 1869.

THE services of the Clerk entertained in the North Arcot Collector's Office under the sanction granted in the order of Government in the Military Department, dated 7th May 1869, No 1,712, must be dispensed with, as the Government of India have decided that the charge should be borne by the Civil Department, and the Board of Revenue report that the provision in the current year's Budget is inadequate to meet the expenditure.

2. The Board propose to make the necessary provision in the next year's Budget under preparation. The charge cannot be incurred without the sanction of the Government of India, and in the present state of the Imperial Finances, the Government are anxious that applications for expenditure of any kind should be postponed to a future period, unless unavoidable. The Government have no doubt that under proper arrangements the duties of the Clerk can be distributed among the other Clerks and Accountants on the Collector's Establishment.
