Dated 22nd November 1869.

Not to be folded or roughly handled

No. 226. Read the following Proceedings of the Board of Revenue, dated 11th November 1869, No. 8,354:—

Read the following letters:—

From the Collector of the Godavery district, to the Acting Secretary to the Board of Revenue, dated Cocanada, 9th September 1869, No. 213.

I HAVE the honour to forward my Local Fund Budget for 1870-71: it has been prepared after consultation with the Superintending Engineer, and signed by both of us.

2. I return the old Road Map of the district, and send also a fresh one prepared by the Superintending Engineer for 1870-71.

3. In this last there are a few variations from the entries in the old District Road Map, viz.:—

(1.) A short line of road from Kotta Kamavarapukota through Pedda Pothaveram to the trunk road at Yernagudem.

(2.) A line from Pedda Pothaveram through Yadavole, Vedulagunta, and Annadevarapad, to the bank of the Godavery at Tullapudi: an important line for local traffic, and now much used.

(3.) A short line from Gokaveram to Kottapilly.

(4.) A line from Raghudevapuram through Valagalukodu to Rajanagram instead of No. 21 in the original works in the present Budget, which last is not much needed at present, there being communication by river.

ENCLOSURES Nos. 1 and 2.—Maps.

ENCLOSURE No. 3.—Part I., Original Works.

ENCLOSURE No. 4.—Part II., Repair Works.

ENCLOSURES Nos. 5 to 7.—Abstract Estimates of Receipts and Disbursements.

ENCLOSURE No. 8.—Estimate of Disbursements under Jungle Conservancy Funds.

From the same Officer, dated Cocanada, 20th September 1869, No. 228.

ABSTRACT.—Stating that four sets of printed Local Fund Budget forms were received after the despatch of the Budget, and forwarding herewith the additional information required in manuscript.

ENCLOSURE No. 1.—Abstract containing additional information on account of Local Fund.

From the same Officer, dated Cocanada, 29th October 1869, No. 274.

ABSTRACT.—Forwarding, with reference to Board's telegram of 26th instant, a memorandum distributing the allotment of Rupees 47,050 on commenced works.

ENCLOSURE No. 1.—Memorandum of re-distribution of Rupees 47,050.

PARTS I. and II. of the Road Fund Budget for 1870-71, received with the first of the letters recorded above, are submitted for the approval of Government with reference to their Order of the 16th March 1869, No. 711.

2. Part I. of the Budget contains twenty-four works with an aggregate allotment of Rupees 2,50,000 and with provisions of Rupees 2,500 and 6,000 on account of Petty New Works and Miscellaneous Public Improvements.

Board's Proceedings, dated 28th October 1869, No. 8,047.

3. The items noted in the margin, with a total allotment of Rupees 47,050, have been struck out, as they all are unsanctioned.

4. The amount of the estimate for the twenty work is Rupees 17,580, to be charged to the Imperial and the Road Funds in equal proportions. The moiety payable by the Road Fund has already been placed at the disposal of the Public Works Department from the current year's reserve, which renders the allotment of Rupees 8,790 in the present Budget unnecessary.

5. The Collector has also shown an unappropriated balance of Rupees 10,222, which is a large sum to be left idle.

6. The total of the three sums mentioned in the last three paragraphs amounts to Rupees 66,060, Rupees 64,880 of which has been distributed to other works actually in progress after consulting the Collector.

7. Part II. contains twenty-five repair-works with a total allotment of Rupees 18,970, and with provisions of Rupees 1,000 and 11,200 on account of Petty Repairs and Miscellaneous Public Improvements.

8. Items 2 and 19 have been struck out, and their allotments, which are below Rupees 250, have been added to the assignment for "Petty Repairs," agreeably to the Board's Circular Memorandum, dated 2nd September 1869, No. 6,352-A.

9. The fourth item has a maintenance allowance of Rupees 150 a mile, which is Rupees 50 in excess of the maximum rate allowed for the up-keep of local roads. The Collector is requested to explain the necessity for the larger grant. Pending the receipt of the explanation the allotment will remain unaltered.

10. In the Abstract of Receipts and Charges received with the Collector's second letter, the available assets of the fund are given as Rupees 3,64,270, which includes a balance of Rupees 1,18,270 expected at the beginning of the year.

11. Under the head "Expenditure proposed" there is an allotment of Rupees 90 for an establishment to watch unsold Lunkahs and Channel banks

Proceedings of the Madras Government, Revenue Department,
22nd November 1869.

In support of this entry the Board's Proceedings of the 7th October 1867, No. 6,394, is quoted. These Proceedings simply sanction a sum of Rupees 80 required for an extra establishment to watch the Channel banks in 1867-68 only, but do not authorize its continuance in subsequent years. The item is, therefore, disallowed pending a report on the necessity of the establishments.

12. The allotment proposed for the contingent charges of the Revenue Department is Rupees 300, which is Rupees 250 in excess of the scale of Rupees 50 fixed by the Board. This amount is inserted in the absence of any information regarding the necessity for the larger grant.

13. With the foregoing omissions and additions the proposed expenditure amounts to Rupees 3,63,740, which deducted from the available assets of Rupees 3,64,270, leaves a balance of Rupees 530.
