*Proceedings of the Madras Government, Revenue Department,
24th November 1869.*

No. 286. Read the following Proceedings of the Board of Revenue, dated 19th October 1869, No. 7,758 :—

Read the following letter from the Officiating Collector of the Kistna district, to the Acting Secretary to the Board of Revenue, dated Bezwada, 14th September 1869, No. 288.

In Government Order, dated 26th October 1868, No. 1,635, Judicial Department, Government sanctioned the erection of a new Talook Cutcherry on the standard plan at Bezwada. The materials have been under collection for some time past. Some land adjoining is also required for Police huts, etc. The land selected for the site consists of—

Seri No. 202, measuring acres 1.77.

Seri No. 226, measuring acres 2.8.

Part of enfranchised Inam 204, measuring acres 3.49 out of 6.01.

Do. Inam 203, measuring acre 0.26 out of 0.73.

Seri No. 202, belonging to the Reverend T. Y. Darling: he proposes to give it up in exchange for No. 207 on annual assessment. To this there is no objection.

Seri No. 226, belonging to Mahomed Gabib: he agrees to relinquish on condition of granting him unoccupied Seri land in exchange, which can be done.

Part of Inam No. 204 belongs to Sheik Jumm and Ghali Bee and Asha Bee. They are willing to give up the portion of the land required if granted part of Seri No. 438, to which arrangement, however, the holder of that field objected. As the Inamdar refuses to give up the land, it is necessary to take it up under Act VI. of 1857.

	RS.	A.	P.
The value of 3.49 acres out of this Inam is estimated at	149	13	4
Value of twenty-eight Palmyra trees	56	0	0
Do. of stone-cut well	300	0	0
Total	505	13	4

Part of Inam No. 203 belongs to Mirja Ali and Esuf Ali, sons of Mahomed Padsha. They also object to give up this portion of their Inam, which will also have to be acquired under Act VI. of 1857. The value of acre 0.26 out of this Inam is estimated at Rupees 11-6-0. I have the honour to request that the Board of Revenue will be pleased to obtain from Government the issue of a declaration taking up these lands for a public purpose.

1. A portion of the enfranchised dry Inam of Sheik Jumm, Ghali Bee, and Asha Bee, situated in the village of Bezwada, in Bezwada talook, measures acres 3.49 out of acres 6.01, which constitutes the whole number. It is bounded on the east by portion of No. 203 and portion of Seri No. 202, on the south by Seri Nos. 202 and 226, and on the west by the compound of the Head Assistant Collector's office and by the Pariah hamlet, and on the north by the remaining portion of No. 204.

*Proceedings of the Madras Government, Revenue Department,
24th November 1869.*

2. A portion of the enfranchised dry Inam of Mirja Ali and Esuf Ali, sons of Mahomed Padsha, situated in the village of Bezwada, in Bezwada talook, measures acre 0.26 out of acre 0.73, which constitutes the whole No. 203. It is bounded on the east by a public road, on the south by Seri No. 202, on the west by No. 204, and on the north by the remaining portion of No. 203.

For the land actually required for the Police huts, acre 0.175, the Superintendent of Police has agreed to pay the compensation, Rupees 7-8-4. It is necessary to secure some land round the well and a portion to make a road to secure a right of way from the town to the Talook Cutcherry.

The accompanying plan shows distinctly the portion of land required for the Talook Cutcherry, Police huts, etc.
