*Proceedings of the Madras Government, Revenue Department,
25th November 1869.*

No. 307. Read the following Proceedings of the Board of Revenue, dated 19th November 1869 :—

Read the following letter from the Collector of Trichinopoly, to the Acting Secretary to the Board of Revenue, dated Trichinopoly 20th September 1869, No. 224.

I HAVE the honour to submit the accompanying Budget of Receipts and Charges on account of the Local Funds of this district for the ensuing Official year 1870-71.

2. Agreeably to the Board's instructions, communicated in their Official Memorandum, Nos. 6,352 and 6,352-A, dated 24th August and 2nd September 1869, Parts I. and II. were prepared in consultation with the Superintending Engineer and countersigned by that officer.

3. In Part I. no new works have been inserted, but the most important lines already undertaken and almost completed have been provided for.

4. In Part II. the length of each line has been given, and the repairs therein provided for are of an ordinary nature, requiring gravelling, closing breaches by earth, and turfing.

5. The District Map is herewith returned as required.

P. S.—The details of the Jungle Conservancy as regards the Department Public Works not having as yet been received from the Superintending Engineer, this portion of the Budget will be subsequently submitted as soon as above details are received from Captain Oakes.

THE District Road Fund Budget for 1870-71, received with the foregoing letter, is submitted for the approval of Government with reference to paragraph 1 of their Order, dated 16th March 1869, No. 711.

2. Part I. of the Budget contains three works with an aggregate allotment of Rupees 13,400. All of them are sanctioned works, brought forward from the original Budget of the current Official year (1869-70.)

3. Part II. contains 22 repair works with a total allotment of Rupees 40,540, and a provision of Rupees 430 on account of Petty Repairs. None of these appear to call for remark except items Nos. 1, 2, and 4, maintenance grants for which are in excess of the maximum rate of 100 rupees per mile allowed for the up-keep of important local roads. The Collector should have furnished some explanation regarding these allowances. He is requested to do so now. Pending the receipt of the explanation, the allotments will remain undisturbed.

4. It will be observed from the Abstract of Receipts and Charges that the available assets of the fund are Rupees 73,770.

5. Under the head "Expenditure proposed," the allotment for the travelling allowance to Local Fund Overseers and Maistries is given as Rupees 1,020 instead of Rupees 1,200, the amount sanctioned. The correct sum has been inserted.

6. No provision is made for the contingent charges of the Public Works Department. The amount sanctioned for each district is Rupees 200, which has been added.

*Proceedings of the Madras Government, Revenue Department,
25th November 1869.*

7. The estimated cost of Public Works supervision is reduced from Rupees 5,200 to Rupees 4,820 to bring the proposed expenditure within the available assets.
8. With the aforesaid additions and deductions, the total proposed expenditure amounts to Rupees 73,770, leaving no balance.
