*Proceedings of the Madras Government, Revenue Department,
4th February 1869.*

No. 85. Read the following Proceedings of the Board of Revenue, dated 11th January 1869, No. 140 :—

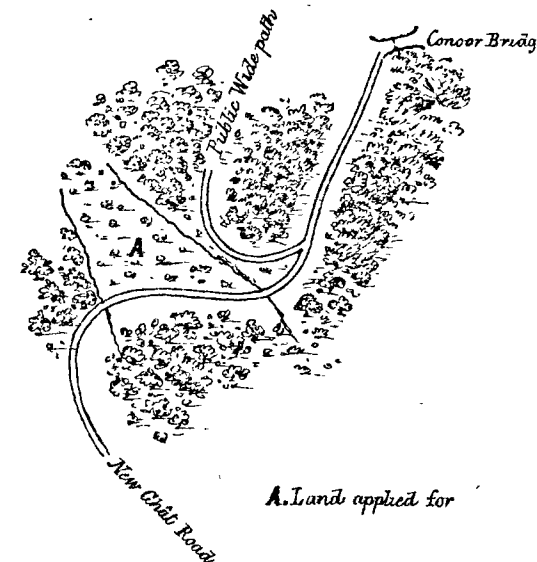

Read the following letter from the Commissioner of the Neilgherries, to the Acting Secretary to the Board of Revenue, dated Ootacamund, 2nd December 1868, No. 79.

1. Mr. Stanes, of the Coimbatore Coffee Works, applied, under the Waste Land Rules, for a small piece of land measuring fifty by thirty yards, adjoining the upper side of the new Coonoor Ghaut, about 100 or 150 yards below the Coonoor Bridge.

2. I informed Mr. Stane's agent that I was prohibited from entertaining any applications for wood-lands on either side of the Coonoor Ghaut. Being requested however to go and see the land, I did so, and am of opinion that it hardly comes under the denomination of wood-land.

3. I append a sketch of the land, made by the Deputy Tahsildar. It scarcely however gives one any idea of the locality, which is a small and somewhat level tongue of land, between the two streams (shewn in his sketch) with, here and there, a scrubby bush growing. The corner is not visible from Coonoor, and the people evidently make a latrine of it at present; the stench was great, and I found it difficult to pick my way on the ground.

4. Under these circumstances, I think it would be well were it sold to Mr. Stanes, to erect buildings for his transit business.

ENCLOSURE No. 1.—Plan.

SUBMITTED for the orders of Government, with the Board's recommendation that the Commissioner be authorised to sell the land referred to under the Waste Land Rules.

2. The strip of land adjoining the new Ghaut on the west and the streams north and south should be carefully demarcated before the sale and shewn on the map as a reserve.
